**Sub: The 3rd International Yemen, Oil, Gas & Minerals Conference 2010
Moevenpick Hotel, Sana'a, Yemen, 18-19 October 2010**

The Republic of Yemen through the Ministry of Oil, Gas & Minerals is pleased to announce the preparation for The 3rd International Yemen Oil, Gas & Minerals Conference in Sana'a, Yemen on the 18th & 19th October, 2010.

On behalf of the Ministry of Oil & Minerals and the conference organizers, IIR Middle East, we invite all International and regional participation to this timely and crucial conference to discuss upcoming Investment opportunities in the vast Oil, Gas and Minerals sector of Yemen.

The forthcoming forum will create favorable conditions for development and strengthening of beneficial cooperation between the Republic of Yemen and the leading International companies for efficient exchange of experience and definition of new Investment opportunities.

We welcome our guests and representatives of global business community and hope that you will be in Sana'a to meet with us and discuss various business opportunities.

We invite you to participate in this event as a delegate, event sponsor or as media partners.
